Institutions/Public Outreach:

There have been some scheduling changes at FLACRA in Farmington. I was contacted by the new director and Pat H. will be coordinating with her to bring in meetings and presentation to the 12 Step groups.

- Ancelin Q. and Brian O. did a presentation at Pre-Trial Services in early May and part of our bi-monthly schedule. There were about 25 people in attendance. Brian and Ancelin shared their personal stories and answered questions. People were very engaged and took the AFA's, pamphlets, and meeting lists were brought.
- Mike W. did a presentation at Unity and will be in touch with the director about future events.
- The bi-monthly meeting at Jennifer House has been postponed until July due to scheduling changes there.

If you are a member who is interested in doing public outreach and you have worked through the 4th and 5th step with a sponsor, please contact Brian via publicoutreach@aisrochester.org. If you have any suggestions or ideas for a possible outreach event, please feel free to share! Thank you everyone who has done this important 12th Step service and helps to carry the message to others.

Newsletter: Connie asked that all submissions be sent to her this week by midweek. She has included a tent card in the last newsletter and suggested that it be displayed and meetings.

Volunteers/Service Center: The office is manned 5 days a week. We have one new volunteer that has been trained. Updated hours are on the website and will be put into the newsletter.
